

Meeting Minutes, April 6, 2016

- The committee agreed to include a representative from the Palm Desert Campus as a steering committee member.
- The committee agreed that the data for the report will cover the period between fall 2010 and fall 2014.
- It was clarified that for some programs, our graduate admissions evaluators use both the last 90 units and the cumulative GPA when calculating GPA.
- The committee is exploring using another CSU graduate program as an additional benchmark.
- The committee members agreed to create a focus group and to explore the option of using an external consultant.
