

## **Meeting Minutes, July 20, 2016**

- The committee reviewed the data on graduation rates and discussed disaggregating the data by full and part-time students.
- The committee made revisions to the graduate student survey and discussed how to best administer the survey. It was decided that Graduate Studies would communicate with graduate coordinators and administrate the survey through Records.
- Feedback from the Open House events was discussed.
- The committee discussed a draft of the strategic analysis goals.
