

Strategic Analysis Steering Committee Meeting Minutes

Date: February 20, 2017. Meeting commenced at 10:35 am.

Announcements:

- The committee welcomed Judy Sylva. Dr. Beer will put together a summary of the steering committee's progress thus far.
- Attendees reviewed the faculty survey and made the following recommendations:
 - Remove Section III: Mentoring.
 - Move Demographics to the end of the survey.
 - In the Resources section, add an additional question to identify the support needed for recruiting new students.
 - In the same section, add a line about graduate assistant opportunities.
 - Add questions to identify the fields/careers programs serve.
- The survey will be updated and recirculated among the committee members for a final review.
- Dr. Beer described some of the topics that emerged during the January 11th Open Forum. These include:
 - Access to program data
 - Recruiting and enrollment
 - International admissions

Meeting concluded at 11:30 am
