

Strategic Analysis Open House, May 13, 2016

- The Strategic Analysis Committee clarified that the goal of the analysis is to determine where we are now.
- Participant(s) suggested the use of a better benchmark.
- Participant(s) suggested comparing the race/ethnicity data of graduate students to the race/ethnicity of CSUSB undergraduate students to reveal whether demographics shift.
- Participant(s) also suggested to look into student residency.
- Participant(s) were informed that surveys may be administered to students and graduate coordinators.
- Participant(s) were interested in data regarding retention and graduation rates.
